School Nutrition Association of Oklahoma

Formerly known as the Oklahoma School Food Service Association, The School Nutrition Association of Oklahoma is an organization established in 1946 to enhance the development and growth of school nutrition professionals state-wide.

Mission Statement

An association of food service professionals dedicated to educating, representing and supporting all facets of providing quality child nutrition programs.

Vision Statement

Make a difference in the life-long health of our communities.

Why Sponsor?

For over 72 years, school nutrition professionals, individuals and companies like you have formed a unique partnership in enhancing students' education in Oklahoma and around the nation in providing good nutrition, equipment options, quality supplies and services. From far northeast Miami to the southwest in Hollis, to the northwest in Boise City to the southeast in Broken Bow and every school in-between. With your generous donations and sponsorships, the School Nutrition Association of Oklahoma (SNA of OK) has made a difference in thousands of children's lives. From scholarships to personal mentoring to donating to the many charities across Oklahoma, SNA of OK has always put children first. Monies raised from this event will be primarily used to develop, train and maintain nutrition professionals, provides resources, scholarships and lobby legislatures for the good of the children of Oklahoma.

POTENTIALLY OVER 500 SCHOOL DISTRICTS REPRESENTED.
